

**Millbrook High School Band Boosters
Music for All National Festival School Band Trip
Financial Obligation and Contract**

The Millbrook Band Boosters understand this trip is a big financial commitment so payments were broken down to help spread out the cost. Each student wishing to participate in this trip is required to return this completed contract with the initial deposit. A student's spot is not confirmed until the initial payment is received. All payments must be made in the form of Cash, Money Order, Check or Fairshare and turned in on or before their due date. Any payments received after their deadline will incur an additional \$15 late fee. If alternate arrangements need to be made, you must contact the Band Booster Treasurer, Kim Stine (treasurer@millbrookbands.org), prior to the deadline to discuss options.

Mutual Consent

I, the undersigned parent, wish for _____ (student's name) to participate in the Music For All, Indianapolis trip and understand that I am financially responsible for the entire fee (\$1315). I understand that if financial hardship is an issue, I must reach out to the Band Boosters Treasurer, Kim Stine (treasurer@millbrookbands.org), prior to September 21st, to discuss options. I understand that my student's spot is not reserved until the initial deposit and contract are received. I understand there will be a \$15 late fee for each payment deadline not met and a \$25 fee for any returned check. Furthermore, I understand that I must meet all financial obligations, even if the student withdraws or is dismissed from this opportunity, unless arrangements are made in advance.

By signing the "Mutual Consent," I agree to pay my full amount of \$1315. All payments are non-refundable, and must be made by the deadlines listed below, if not paying in full. Payment is required even if participation is terminated prematurely.

By signing the "Mutual Consent," my student agrees to the conditions and terms set forth by Mr. Payne (Band Director). My student understands that Millbrook High School administration may decline the student's involvement if there are behavioral consequences in place.
